

# The Scholarship of Mr. Wang Shou Shin For the PhD Students of Applied Science Department

(Approved by the 3rd chairman meeting on Feb. 21st, 2019)

1. Mr. Wang Shou Shin, our prestigious alumnus, founded the scholarship to encourage students to apply for the PhD degree of Applied Science.
2. The qualified applicants need to be the PhD freshmen of the department of Applied Science.  
When the applicants from the department of Applied Science are under two, the PhD freshmen from the department of Mathematics can also apply for the scholarship.
3. Two students per year can get the scholarship.
4. Each student can get fifty thousand NT dollars.
5. The application procedures: the applicants need to get recommended by the professors, get approved in the chairman meeting, and Mr. Wang Shou Shin, the founder of the scholarship, will be informed.
6. The scholarship will be divided into two parts and be given at the end of two semesters.
7. All the rules and procedures were approved in the chairman meeting before being put into practice, and so will be the amendments.
